

"The best way to predict the future is to invent it." Alan Kay

We are a full service office furniture dealership who proudly:

- Supply innovative furniture solutions
- Provide creative space planning
- Offer professional design services
- Represent the innovative Swiftspace line exclusively

Patrick Cassidy has been in business for 26 years with a network of partners servicing Canada & the USA

SWIFTS^{PACE}

a game-changing line of
robust, mobile & folding furniture

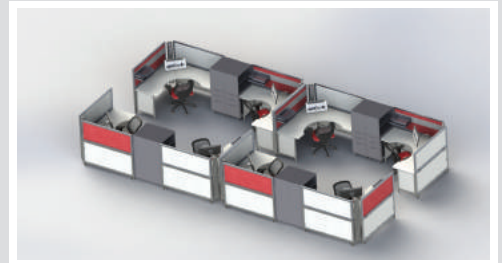

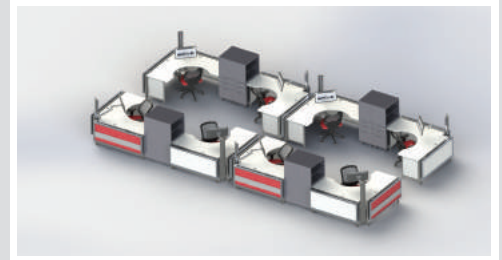

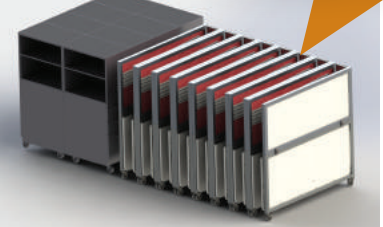

- Workstations come in 1 part, with no pieces
- Can be set up & moved by internal staff, without tools
- 1 station goes up in under a minute, folds down to just 12" wide
- Patented, limited lifetime warranty & ANSI/BIFMA tested
- Swiftspace is on the U.S. GSA Contract
- Reduces environmental impact

Meet the future with absolute certainty

- Change your furniture as often as your needs do
- Mobilize your workstations immediately
- Save cost/time in reconfigurations
- Take internal control of your furniture
- Future-proof your company

*click on the links
to see it in action!*

*same 8 stations,
reconfigured by internal staff
4 different ways*
